Our Mission Statement

Inspired by the kindness King David showed Mephibosheth, son of Jonathan, The Helping Hands Scholarship Program exists to redeem donations and contributions to provide scholarships and financial assistance to the families of students of Cornerstone Christian Academy (CCA), a ministry of Calvary Chapel Gloucester County (CCGC) who are financially in need, in order to assist them in the pursuit of Christian education at CCA. In addition, the Helping Hands Scholarship Committee (HHSP) will, at its discretion, provide merit-based scholarships to ensure that all children who are called to attend CCA have a “seat at the table”.
